Re: Monoclimic No. 1
Triangle Copper Mine BLM UTU-72491

Dear Mr. Harrison:

We have reviewed your response to our letter dated November 18, 1994 for surface mining of ore containing copper. You adequately addressed each of our concerns as stated in our letter and as a result we have determined that no permit will be required from our office at this time for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

A handwritten signature in black ink, appearing to read "Kiran L. Bhayani".
